Illustrated paper by Shamira A. Faytullayeva titled "A Great Tailor in My Family." This illustrated project describes the economic benefits of the tailoring skills of a Russian emigrant, Samisiya Faytullayeva. Samisiya's mother taught her to sew when she was a child, and the skill has provided an income for her family in the years since her husband's death and their subsequent immigration to the United States. This project was submitted for the 2011 Folklife Archives Award competition at Western Kentucky University.
